Community Savings Bank Breaks Ground on New Location in Garnavillo

GARNAVILLO, IA - Community Savings Bank has officially broken ground on its new location in Garnavillo.

A groundbreaking celebration was held on April 20th at the site of the future new Community Savings Bank in Garnavillo and was open to community members.

Currently, the Community Savings Bank in Garnavillo is located on Main Street, the new location will be just down the road at 103 West Clayton Street, but still border Main Street. The new location will include two offices, a meeting room and will be entirely handicap accessible. It will offer a new layout that is easy to navigate for staff and customers. It will also house up-to-date technology and security that is important for both customers and staff.

“This has been a long and tedious process,” said Luke Brady, Community Savings Bank President. “This project started with a vision with the hopes that building a new CSB location in Garnavillo can be a reinvestment in the community as it continues to grow and thrive.”
